### Pre-Authorized Debit (PAD): Convenient for all installment options

If you bank with any Canadian financial institution, you have the option to pay your premium in one lump sum, or in two, four or six installments via PAD.

1. Complete the PAD form attached, and mark "Void" on a cheque.
2. Scan both documents and e-mail them to [finance@prodemnity.com](mailto:finance@prodemnity.com). Payment will be processed on the date indicated in your invoice.

### On-Line Payments: Best for one lump sum payment

If you bank with BMO, CIBC, RBC, Scotiabank, TD Canada Trust, and most credit unions, you have the option to pay your premium via one lump sum.

1. Set up Pro-Demnity Insurance Company as a "payee" in your online commercial bank account.
2. Use your 4-digit account number, so that your payment balance may be accurately acknowledged, reducing the potential of cancellation for non-payment.

Please note, your 4-digit account number is different from your Certificate of Insurance Number. The account number may be found at the top right of your invoice.
